SUMMARY

10+ years of experience as a photographer, graphic designer, and retoucher.

Recognized for my work featured in multiple magazines and collaborations with clients in the fashion, jewelry, and commercial industries. Proficient in videography, with expertise in shooting and editing short films and creating compelling content for social media platforms. Skilled in image editing, retouching, and organizing photo shoots. Additional talents include illustrations, marketing, and advertising. I am a dedicated and creative professional who excels in collaborative environments.
